### Day 2: Great Wall of China at Badaling and Ming Tombs Day Tour from Beijing

After pickup in the morning from your hotel, hop aboard a comfortable coach and head north out of bustling Beijing to two popular area attractions. The first stop on your full-day sightseeing tour is the Great Wall of China, the greatest symbol of ancient Chinese engineering and one of the world's most famous structures. The Badaling section is a prime, preserved example of this colossal monument, which became a strategic military location during the Warring States period (476-221 BC), when many incomplete parts of the wall were built.

Here at the Badaling section, you have the opportunity to climb either the north or south face of the Great Wall, enjoying sweeping views of the surrounding landscape. As you stroll with your guide past watch towers along the ancient fortification, learn why it was designated a UNESCO World Heritage site and see why it lives up to its reputation as one of the Eight Wonders of the World.

From Badaling it's on to the sacred Ming Tombs, burial grounds to 13 of the 16 Ming emperors. Situated just outside the city, only three of the tombs are actually open for viewing. Discover the earliest and largest of the excavated burial sites, the Chang Ling Tomb, which dates back to 1413 and is divided into three separate, impressive courtyards. During your day trip, a Chinese-style lunch is included, along with a shopping opportunity at the renowned Longdi jade factory. Learn how this beautiful stone is carved and enjoy browsing for goods before returning to your hotel in Beijing city aboard the coach.

### Day 3: Beijing Historical Tour including the Forbidden City, Tiananmen Square and Temple of Heaven

Your relaxed seven-hour tour begins at Tian'anmen Square, focusing on a more recent page from China's history and the Cultural Revolution of Chairman Mao Zedong. You will tour the grounds and see Tian'anmen Tower, monument to the People's Heroes, Great Hall of the People and Chairman Mao's monument.

Then it's on to the legendary Forbidden City, known as the Imperial Palace Museum. The history of every dynasty is represented here in four palatial halls, and you'll have the most in-depth visit of the Forbidden City available on this tour.

After a substantial lunch, your final destination is the aptly named Temple of Heaven, dating from the 15th century. Built in the Ming and Qing dynasties, the Temple of Heaven was the center of prayer, traditional ceremonies and sacrificial rites. To complete your sightseeing you'll have the opportunity to enjoy traditional Chinese tea.
